Sir:

In response to the Office Action of June 27, 2000, kindly amend the above identified application as follows:

IN THE CLAIMS:

Amend claims 12 and 14 as follows:

12. (Twice Amended) A mount for a processor, comprising:
a motherboard;

a receiving slot connected to said motherboard and configured to receive a connector for a processor;

guides for guiding said connector into said receiving slot, wherein said processor is [horizontal] parallel to and displaced from said motherboard after said connector is inserted into said receiving slot.
